

Welcome to our world of **fresh** flavors...

Washington University Dining Services provides a variety of enticing, nutritious options in one convenient location. Found in the Danforth University Center are several exciting areas open all summer long to satisfy early morning cravings, lunch, snacks and dinner. We feature fresh foods prepared from scratch using authentic ingredients. Our commitment to social responsibility through supporting sustainable food supplies and local producers is important to us. Dining rooms and cafés are gathering places where people exchange ideas, learn from one another, and create a lasting and healthy community. Thank you for dining with us!
